Municipal and County Engineering

INDEX

VOL. LVII. JULY—DECEMBER, 1919.

Capital Letter E refers to Editorials.

Activated Sludge Process for Factory Wastes, Operating Experiences With, by George W. Fuller....123
Air Lift Pumping Plants, Installation and Operation of, by Charles J. Deem..234
American Association of Engineers is Getting Results, E. 50
American Association of Engineers—Co-Operation, by George C. Warren.....110
American Association of Engineers, the Future of, by F. H. Newell..... 25
American Association of Engineers, Activities of 206
American Association of Engineers, News Letter from the.....119
American Road Builders' Association, Seventeenth Annual Convention of the 70
An Admirable Annual Report, E. 194
Asphalt Association, Organization of... 22
Asphalt Joint-Filler in Vertical-Fiber Brick Pavements, Success of, by Clark R. Mandigo 211
Asphalt Macadam Pavements, Recommended Procedure in the Design, Construction and Maintenance of, by Prevost Hubbard 152
Asphalt Pavement Repairs, Estimating for, by J. O. Preston 125
Asphaltic Filler for Brick Pavements, by Allen D. Dimmick 201
Assumptions, Watch the, E.....146
Austin Mixer Loader 30

Bitoslag Pavement, Characteristics of, by J. R. Draney 156
Bituminous Pavements, Mineral Aggregates for 246
Bituminous Pavements, Some Practical Points to Observe in the Construction of, by R. Keith Compton.....105
Bituminous Surfaces, Hot Mix, Resurfacing Old Macadam and Gravel Roadways with, by Hugh W. Skidmore.... 99
Blasting, Removing a Concrete Engine Bed by 80
Brick Pavements, Asphaltic Filler for, by Allen D. Dimmick 201
Brick Pavement Design and Construction, A Review of Recent Progress in, by Clark R. Mandigo 9
Brick Pavements, Success of Asphalt Joint-Filler in Vertical-Fiber, by Clark R. Mandigo 211
Brick Road from Ashtabula to Conneaut, Ohio, Monolithic, New Mechanical Methods Employed with Marked Success in Building, by F. A. Churchill.. 57
Brick Street and Road Construction, Suggested Economies in 262
Bridges, Steel and Concrete, Highway 250
Buffalo, N. Y., Present and Prospective, Water Purification at, by H. F. Wagner 182
Buried Treasure, E..... 98

Cast Iron Water and Gas Mains, Successful use of Cement Joints for, by Stephen E. Kieffer 42
Cement Joints for Cast Iron Water and Gas Mains, Successful Use of, by Stephen E. Kieffer 42
Chicago Municipal Engineers Joined A Union, Further Comment on Why..119
City Planning in Bethlehem, Pa. 30
Civic and Engineering Features of Grade Crossing Elimination, by Allen L. Golinkin 61
Compensation for Municipal Engineers. 12
Concrete Engine Bed, Removing by Blasting 80
Concrete Highway Construction, Recent Developments in, by A. N. Johnson 204
Concrete in Water Works Construction, by A. C. Irwin 225
Concrete Pavement, Does it Pay to Determine Void Percentages in Coarse Aggregate 264
Concrete Pavements as Foundations, Old, Utilization of, by Arthur H. Blanchard 197
Concrete Piers Inside of Buildings, Use of Explosives in Breaking Up, by Frank A. Huntington 192
Concrete Road 200
Concrete Sidewalk Specifications, Some Suggested Changes in, by Charles E. De Leuw 16
Construction Equipment, The Engineer and, E. 1
Construction Industry, Economics of, Federal Report on 28
Contract, An Interesting Cost Plus, E... 49
Contract for Garbage Disposal by Feeding Awarded by Newark, N. J., by Jas. W. Costello 151
Cost Data on Small Water Works Systems, by William Artingstall 184
Cost Plus Contract, An Interesting, E.. 49
Cost Plus Fee Basis, Design Features and Form of Contract for Constructing a Large Earthen Water Supply Dam on, by Jacob L. Crane, Jr., and J. G. Kimmel 85
Cost-Plus-Fixed-Fee Contract, Building Construction a Gamble Except Under, by A. E. Wells 160
County Road Machinery, The Selection and Use of, by J. R. Johnson 64
Culvert Materials, Highway, in Oklahoma, Considerations Affecting the Choice of, by Max L. Cunningham ...157

Des Moines Water Co., Gallery Water Collecting System, Des Moines, Ia., Special Features of the, by A. F. Luce 75
Direct Oxidation Experimental Sewage Treatment Plant at Easton, Pa., Results of the Test Run of the, by C. A. Emerson, Jr. 70
Drainage of Land in the Mississippi Valley, Reclamation by, by Edmund T. Perkins 215
Drainage District, Inter-River, Design and Construction of Works in.....244

Engineering Education, Highway, Greater Attention to be Given to.....125
Engineering Profession, Immediate Needs of, by James C. Patterson.....122
Engineer and Construction Equipment, E. 1
Engineer and Overtime, E. 2
Engineer, Introducing to the Public, E. 49
Engineers in State Highway Service, Proposed Schedule of Salaries for....200
Engineers, Municipal and County, Publicity for, E. 1
England, Some Problems confronting Municipal Engineers in, by Charles Brownridge 172
Epidemics, Progressing Under the Scourge of, E. 146
Equipment Performance, News of, E.. 50
Error, Is it Wise to Confess? E. 145
Estimating for Asphalt Pavement Repairs, by J. O. Preston 125
Expert Builder or Business Gambler? E.. 97
Explosives in Breaking up Concrete Piers Inside of Building, Use of, by Frank A. Huntington 192

Fees, Salaries, Wages, E. 2
Financing, Municipal, Some Common Errors in, by A. R. Hebenstreit.....164
Fire Insurance Rates and Water Works Improvements, Relation Between, by Kelsey L. Walling 95
For A Horizontal Increase, E. 194

Galvanized Iron, Added Life for 80
Garbage Disposal by Feeding Successfully Practiced at Lansing, Michigan, by E. C. W. Schubel 23
Garbage Disposal by Feeding, Contract for Awarded by Newark, N. J., by Jas. W. Costello 151
Gasoline, Correspondent Suggests Road Tax on 60
Good Roads, How to Provide a County With 77
Grade Crossing Elimination, Civic and Engineering Features of, by Allen L. Golinkin 61
Graduate Engineer, The, E. 97
Granite Block Pavements in Cincinnati, The Design and Construction of, by H. F. Shipley 19

Granite Block Pavements in New Orleans, La., Experience with, by John C. Bartley 112
Gravel Plant, City of Indianapolis Installs Own 120

Heater for Use of Highway Maintenance Patrolmen, Small, Portable 176
He Gets Results, E. 193
Highway Bridges of Steel and Concrete.250
Highway Construction, Concrete, Recent Developments in, by A. N. Johnson..204
Highway Culvert Materials in Oklahoma, Considerations Affecting the Choice of, by Max L. Cunningham 157
Highway Design, Some Suggestions for, by George W. Tillson 150
Highway Engineering Education, Greater Attention to be Given to.....125
Highways, Feeder, Macadam Construction on Primary and Secondary, by W. C. Buetow 173
Highway Problem, The American.....258
Highways in 1920, Prepare Now for Capacity Production of 243
Highways, Improved, Constructed, Maintained and Financed with Federal Funds, Arguments Favoring National System of, by M. O. Eldridge.....158
Highways in Washington, Primary, Maintenance Costs of for Two-Year Period, by George F. Cotterill..... 51
Highway Maintenance Costs, E. 50
Highway Maintenance Patrolmen, Small, Portable Heater for Use of.....176
Highway Policy and Personnel, For a Continuing, E. 145
Highway System, National, Present Federal Aid Will be Strengthened by....122
Highways, Trunk Line, Movement to Construct National System of Gains Momentum 78
Hoover, Herbert; A Modern Engineer 168
Hydro Development Furnishes Water Power for Municipal Water Supply....273
Human Side of Municipal Engineering, More Attention to 287
Hydro-Electric Engineering Practice and Possibilities, Some Features of, by H. de B. Parsons 13

Illinois Villages, How to Finance Public Improvements in, by William Artingstall 188
Indianapolis, City of, Installs Own Gravel Plant 120
International Federation of Technical Engineers, Architects and Draftsmen, Why Some Engineers in the Service of the City of Chicago Joined the..... 59
Ipswich River Water Supply for the City of Lynn, Mass., by H. K. Barrows.133
Irrigation Water to Farms and Irrigators, Most Recent Developments in the Methods of Measuring, by F. E. Trask.142
Intolerance, E. 1

Kentucky Rock Asphalt Pavements, Characteristics of 266

Labor Element, Radical, in Seattle, Wash., How Controlled 282
Labor Question, An Engineer Comments on, by H. W. Skidmore 159
Lansing, Mich., Recent Water Works Improvements at 186
Lead Melting Furnace and Portable Oil Burner, Combination 126
Lighting Problem, Street, of the City of St. Louis, by Ralf T. Toensfeldt.....166

Macadam Construction on Primary and Secondary Feeder Highways, by W. C. Buetow 173
Macadam Roads, New, Recommended Procedure in the Construction of, by M. D. Ross 116
Macadam Road, Old, Filled with Ruts and Holes, Recommended Method of Resurfacing, by William N. Bosler.... 69
Macadam Streets in Milwaukee, Old, Resurfacing of, by C. J. Van Etta....195
Maintenance Costs, Highway, E. 50
Maintenaance Costs of Primary Highways in Washington for Two-year Period, by George F. Cotterill 51
Marking Highways With Name of Builder 194
Mixer Loader, Austin 30
Measuring Irigation Water to Farms and Irrigators, Most Recent Developments in the Methods of, by F. E. Trask....142
Mechanical Methods Employed with Marked Success in Building Monolithic Brick Road from Ashtabula to Conneaut, Ohio, by F. A. Churchill..... 57
Metalium Joints in Water Pipe Lines in Davenport, Ia., Experience with, by Thomas Healy 47
Meter Boxes, Southland 240
Metering the Water Supply of Terre Haute, Ind., Methods Used and Results Obtained in, by Dow R. Gwinn..129
Monolithic Brick Road from Ashtabula to Conneaut, Ohio, New Mechanical Methods Employed with Marked Success in Building, by F. A. Churchill.. 57
Montezuma, Iowa, Sewage Treatment Plant at, by J. H. Dunlap.....218
Motor Truck Express Lines, Systematize, To Reduce High Cost of Living, by E. A. Williams, Jr. 171
Motor Truck Traffic on Road Surfaces, Procedure in Making Tests of Effect of, by A. T. Goldbeck 64
Municipal Engineers are Interested, E... 2
Municipal Engineers, Compensation for. 12
Municipal Engineers in England, Some Problems Confronting, by Charles Brownridge 172
Municipal Exposition, Much Interest in 80
Municipal Financing, Some Common Errors in, by A. R. Hebenstreit.....164
Municipal Refuse Collection and Disposal-Estimating Costs, The Trend in, by Rudolph Hering 107
Municipal Water and Light Plant Management 274

Name of Builder, Marking Highways With, E. 194
National Highway System, Present Federal Aid Will be Strengthened by.....122
National System of Improved Highways, Constructed, Maintained and Financed with Federal Funds, Arguments Favoring, by M. O. Eldridge 158

Oil Burner, Portable and Combination Lead Melting Furnace 126
Operation and Maintenance of Water Works System, Some Economies That May be Effected in, by Homer V. Knouse 136
Orifices in Pipe Lines, Thin Plate.....224
Overtime and Engineer, E. 2
Oxy-Acetylene Process, Building Up a Worn Pump with the, by Charles C. Phelps 143
Ozone as a Disinfectant in Water Purification, by Joseph W. Ellms 186

Pave Now! 80
Pavements, Asphalt Macadam, Recommended Procedure in the Design, Construction and Maintenance of, by Prevost Hubbard 152
Pavement, Bitoslag, Characteristics of, by J. R. Draney 156
Pavements, Bituminous, Some Practical Points to Observe in the Construction of, by R. Keith Compton 105
Pavement Design and Construction, Brick, a Review of Recent Progress in, by Clark R. Mandigo 9
Pavement Experiments, Good and Bad E. 146
Pavement Foundations, Portland Cement Concrete, The Construction of, by James W. Routh 169, 199
Pavement Restoration and Street Openings, Recommendations Pertaining to. 12
Pavement Types, Characteristics of and Considerations Affecting A Choice in Kansas Cities, by A. P. Learned.....209
Pavements in New Orleans, La., Granite Block, Experience with, by John C. Bartley 112
Pavements in Cincinnati, Granite Block, The Design and Construction of, by H. F. Shipley 19
Pavements on Roads and Streets, Economics Status of Guarantees for.....268
Pavements, Old Concrete, Utilization of as Foundations, by Arthur H. Blanchard 197
Paving Matters, Lack of Expert Engineering Advice in, Costs the Public Vast Sums, by Hugh W. Skidmore.... 63
Pipe Lines, Thin Plate Orifices in.....234
Planning of Residential Suburbs with Special Reference to Engineering Features, by F. L. Olmsted 161
Portland Cement Concrete Pavement Foundations, The Construction of, by James W. Routh 169, 199
Private Ownership of the Public Water Supply Works at Council Grove, Kansas, Some Experiences Gained in the, by Louis L. Tribus 38
Public Works, Proposed National Department of 252
Publicity for Municipal and County Engineers, E. 1
Pumping Plants, Air Lift, Installation and Operation of, by Charles J. Deem.234
Pumps for Small Water Works, Considerations Affecting the Choice of, by Henry A. Symonds 178
Pump, Worn, Building up with the Oxy-Acetylene Process, by Charles C. Phelps 143

Rain Intensities in Relation to Storm Sewer Design, Some Broader Aspects of, by Robert E. Horton 3, 157
Reclamation by Drainage of Land in the Mississippi Valley, by Edmund T. Perkins 215
Refuse Collection and Disposal, Municipal-Estimating Costs, the Trend in, by Rudolph Hering 107
Remedies for an Engineering Ill, E..... 98
Report, An Admirable Annual, E.....194
Residential Suburbs, The Planning of, With Special Reference to Engineering Features, by F. L. Olmsted 161
Resurfacing an Old Macadam Road that is Filled with Ruts and Holes, Recommended Method of, by William N. Bosler 69
Resurfacing Old Macadam and Gravel Roadways with Special Reference to Adaptability of Old Roadbeds as Foundation for Hot Mix Bituminous Surfaces, by Hugh W. Skidmore..... 99
Resurfacing of Old Macadam Streets in Milwaukee, by C. J. Van Etta.....195
Revision of Water Rates, Necessary steps in, by John N. Chester 238
Riensch-Wurl Sewage Screens at Dyckman Street, Manhattan, New York, Results of Two 24-hour Tests of Two. 64
Road, A Concrete 200
Roadbeds, Old Macadam and Gravel as Foundation for Hot Mix Bituminous Surfaces, by Hugh W. Skidmore..... 99
Road Contracts Being Completed in Kansas Refute False Statements About Highway Costs 160
Road Foundations, Drainage and Culverts, Notes on, by U. W. Christie... 17
Road Impact Tests 196
Road Machinery, The Selection and Use of County, by J. R. Johnson 64
Road Making Materials in New Jersey, Instructions Governing the Sampling and Inspection of 66
Road-Making Plans of Indiana for Near Future, by H. K. Bishop..... 11
Road Oiling, Economical, Enterprising Farmers and Township Road Commissioners Co-operate in 159
Roads, Comparative Cost of Maintaining With Tractor Outfit and Eight-Mule Outfit, by N. C. Hughes, Jr.....115
Roads, New Macadam, Recommended Procedure in the Construction of, by M. D. Ross 116
Roads, Raising Funds to Pay for, by James I. Blakeslee 120
Roads, Sand-Clay, Some Things Learned in the Construction of, by W. S. Keller 118
Road, Stone and Gravel, Construction in Ontario, by J. G. Wilson 165
Road Surfaces, Procedure in Making Tests of Effect of Motor Truck Traffic on, by A. T. Goldbeck 64
Road Tax on Gasoline, Correspondent suggests 60

St. Louis, Missouri Water Works, The Need and Cost of Covering the Clear Water Basins of the, by Cornelius M. Daily 42

Salaries for Engineers in State Highway Service, Proposed Schedule for 200
Sampling and Inspection of Road Making Materials in New Jersey, Instructions Governing the 66
Sand-Clay Roads, Some Things Learned in the Construction of, by W. S. Keller 118
Scourge of Epidemics, Progressing Under the, E. 146
Sewage Screens at Dyckman Street, Manhattan, New York, Riensch-Wurl, Results of Two 24-Hour Tests of Two. 64
Sewage Treatment Plant at Easton, Pa., Direct Oxidation, Results of the Test Run of the, by C. A. Emerson, Jr..... 70
Sewage Treatment Plant at Montezuma, Iowa, by J. H. Dunlap 218
Sewage Treatment Works, Small, Efficient Control of 21
Sewer Design, Storm, Some Broader Aspects of Rain Intensities in Relation to, by Robert E. Horton..... 3
Sewer Inlets, More Engineering on, by W. W. Horner 147, 199
Sidewalk Specifications, Concrete, Some Suggested Changes in, by Charles E. De Leuw 16
Slander on New Mexico? E. 2
Snow Removal Plans and Procedure....212
Southland Meter Boxes 240
Sprinkling Filter Nozzles, Testing Discharge of, by W. Earl Weller.....203
Statically Indeterminate Structures by the Slope Deflection Method, Analysis of 78
Stone and Gravel Road Construction in Ontario, by J. G. Wilson 165
Storm Sewer Design, Some Broader Aspects of Rain Intensities in Relation to by Robert E. Horton 3, 157
Street Lighting Problem of the City of St. Louis, by Ralf T. Toensfeldt.....166
Street Openings and Pavement Restoration, Recommendations Pertaining to. 12
Summary of a Forthcoming Federal Report Entitled "Economics of the Construction Industry" 28
Swimming and Skating Pool, Largest in the United States 207
Telephone and Telegraph Tunnel Under The Chicago River at Harrison Street, Design and Construction of, by Wm. Artingstall 58
Testing Discharge of Sprinkling Filter Nozzles, by W. Earl Weller 203
Tests, Road Impact 196
Tractor Outfit and Eight-Mule Outfit, Comparative Cost of Maintaining Roads With, by N. C. Hughes, Jr.....115
Trinidad Asphalt Lake Soundings, New Low Level Record Reached in..... 30
Tunnel under the Chicago River at Harrison St., Telephone and Telegraph, Design and Construction of, by Wm. Artingstall 58
Warrenite-Bitulithic Pavements and Roads, Foundations for 255
Watch the Assumptions, E. 146
Water Basins, Clear, of the St. Louis, Missouri, Water Works, The Need and Cost of Covering, by Cornelius M. Daily 42
Water Collecting System of the Des Moines Water Co., Des Moines, Ia., Gallery, Special Features of the, by A. F. Luce 75
Water Filtration and Pumping Plant for Sacramento, Cal., Proposed 128
Water Filtration Plant at Camp Meade, Maryland, The Design and Operation of, by C. R. Potteiger 33
Water Filtration, Proposed, at Detroit, Mich. 177
Water Mains, Flushing and Cleaning....285
Water Main, Broken, 24 in., Experience with 286
Water Pipe Lines in Davenport, Ia., Experience with Metalium Joints in, by Thomas Healy 47
Water Power Plants, Small, How to Reconstruct, by Ray K. Holland.....180
Water Purification at Buffalo, N. Y.—Present and Prospective, by H. F. Wagner 182
Water Purification, Ozone as a Disinfectant in, by Joseph W. Ellms 186
Water Rates, Necessary Steps in Revision of, by John N. Chester.....238
Water Supply Dam on Cost Plus Fee Basis, Large Earthen, Design Features and Form of Contract for Constructing, by Jacob L. Crane, Jr. and J. G. Kimmel 85
Water Supply for 6,000,000 People is Made Safe, How, by Wm. W. Brush.. 81
Water Supply of Terre Haute, Ind., Methods Used and Results Obtained in Metering the, by Dow R. Gwinn...129
Water Supply System of Camp McClellan, Alabama, Design and Construction of the, by Maurice R. Scharff.... 44
Water Supply, The Ipswich River, for the City of Lynn, Mass., by H. K. Barrows 133
Water Supply Works at Council Grove, Kansas, Public, Some Experiences Gained in the Private Ownership of, by Louis L. Tribus 38
Water, the Distribution of, by Edward E. Wall 88
Water Waste, Curtailing, and Fixing Equitable Rates at Sault Ste Marie, Michigan, by W. M. Rich..... 90
Water Works Construction, Concrete in, by A. C. Irwin 225
Water Works Improvements and Fire Insurance Rates, Relation Between, by Kelsey L. Walling 95
Water Works Improvements at Lansing, Mich., Recent 186
Water Works, Small, Considerations Affecting the Choice of Pumps for, by Henry A. Symonds 178
Water Works System, Small, Cost Data on, by William Artingstall 184
Water Works System, Some Economies That May Be Effected in the Operation and Maintenance of, by Homer V. Knouse 136
Water Works Valuation, Effect of Wartime Prices on, by E. W. Clausen.....239
Wells at Lansing, Mich., Deep, Pollution of 278
Wood Paving Blocks, Proper Grade of Creosote Oil for 269
